

***NEW* Career Fair Participant Parking Guide**

Career Services and Parking Services work collaboratively during scheduled Career Fair events to ensure parking for Career Fair participants. Please review the following parking guidelines when parking on Ohio University's campus during a scheduled Career Fair.

All Career Fair participants should park in the reserved lot, Lot 133, indicated on the map below. If the designated lot is full, guests will be directed to additional parking by a member of the Career Services staff.

Additional parking is available in the Baker University Center Garage *at your own expense*. Please be advised that Career Services will not cover the cost of parking in the parking garage.

Please note, all parking lots other than those designated by Career Services are restricted parking on the day of the event. Guests who park in undesignated lots or in metered spaces will be subject to ticket *at the owner's expense*. Ample parking is provided by Career Services, please locate a member of our staff if you have difficulty locating these spaces.
